Mission:

**Promoting the rule and reign of God in
the hearts of His people.**

You will not have to fight this battle.
Take up your positions; stand firm and
see the deliverance the LORD will give
you, O Judah and Jerusalem. Do not
be afraid; do not be discouraged. Go
out to face them tomorrow, and the
LORD will be with you."

Michael and Tina Patton, Pastors

As we enter the last quarter of the year, we recognize that God has been truly faithful. He expects us to fight for our faith, walk in prophetic insight and have a greater passion for the work of the Lord. God said by his spirit, that we would preach the word and that we would see signs and wonders. We have experienced a manifestation of His presence in every service and last but not least we have walked in the authority of God that lives have been changed and our neighborhood transformed. As we continue to experience the effects of the Pandemic we must be vigilant to pray. For the bible says that the Kingdom of God suffers violence, but the violent take it by force. Jesus said, "when you pray" which means that we all have a responsibility to call on God who fights our battles. As we come together corporately to pray and fast, I encourage each of you to be fervent in your prayers to the Lord. I believe God wants us as a church family to experience greatness into 2022. As we maintain our prayer culture and stay fervent in prayer, the enemy will be rendered powerless. I admonish you today to step up your prayer life to one hour a day and to join us in our corporate time of prayer during these next seven days and beyond. [Enter into your Season of Greatness!](#)

GOD WILL DELIVER!

Rather, worship the LORD your God; it is he who will deliver you from the hand of all your enemies."

(2 Kings 17:39)
